REMARKS

A copy of each of the above-identified items of information is enclosed unless otherwise indicated on the attached form PTO-1449 (modified). It is respectfully requested that:

1. the examiner consider completely the cited information, along with any other information, in reaching a determination concerning the patentability of the present claims;
2. the enclosed form PTO-1449 be signed by the examiner to evidence that the cited information has been fully considered by the Patent and Trademark Office during the examination of this application; and
3. the citations for the information be printed on any patent which issues from this application.

By submitting this Information Disclosure Statement, applicants make no representation that a search has been performed, of the extent of any search performed, or that more relevant information does not exist.

By submitting this Information Disclosure Statement, applicants make no representation that the information cited in this Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

By submitting this Information Disclosure Statement, applicants make no representation that the information cited in this Statement is, or is considered to be, in fact, prior art as defined by 35 U.S.C. §102.

Notwithstanding any statements by applicant, the examiner is urged to form his/her own conclusion regarding the relevance of the cited information.

An early and favorable action is hereby requested.

Respectfully submitted,

DOWNS RACHLIN & MARTIN PLLC
